WELLINGTON REGIONAL PRINCIPAL CONFERENCE

Last Thursday and Friday - 4 and 5 April Judith, Michelle, Glen and I attended the WRPPA Conference - Defying Gravity where we explored the metaphorical challenges educators face and the unwavering hope, courage, and optimism that can lift us above them.

On Monday the four of us presented back to the staff our inspirations and learning. It is amazing what is happening in education worldwide. The main message was that Primary School Education is vital for all our tamariki, and that it is our responsibility as educators that we must continue to ensure that our students are being taught and extended every single day - every moment is important and precious.

You may find it interesting to go into the following link about a very successful Principal in the US who was a keynote speaker at the conference. Hamish is an ex Wellingtonian and grew up here!

<https://www.youtube.com/watch?v=sU9WFIGDKz0> Kids are an opportunity - not an obligation.

SCHOOL FAIR - THANK YOU EVERYONE!

The outstanding amount initially of \$18,000 has been raised to \$20,000 income! We are so delighted. However, sadly this week we received the resignation of Liang Wells from the HSPG. Liang would now like to focus on her own personal projects and family.

'Thank you Liang so very much for all you have done over the past few years as a member of the HSPG - it has been highly valued.'

A special thank you for leading the Fair Planning team. It is a huge job and does require hours and hours of extra work and thought. Thank you so much. The amount raised has been incredible and it is all due to your steady leadership!

Take care - we will miss seeing you in the office less frequently.'

POETRY

Please take a moment to read the two poems below from two of our students – Coco Cullen and Bella Chen

The Promise of Sunshine...

I love the sun
Because it is fun.
But one day the rain came

It was scary
Like a hairy
spider on my shaking
back.
It felt like I was a wet cat.
I got my papa and calmed
down
And felt in the mood
For a Kapa haka.

- Coco Cullen

The Annoying Storm

The storm rages on,

And yet,
I stand unharmed
in the rain.
A rainbow peeks out
of the monstrous clouds -

a sign of Hope.

- Bella Chen

Hopeful

The sun is shining
And the sky is blue
What new hopes lie
ahead?

This is a day full of
happiness and love,

Like a beautiful
portrait.

The rain gets blown
away by the wind.

- Bella Chen

HATAITAI SCHOOL PARENT'S GROUP (HSPG)

Dear Parents and Caregivers

The Hataitai School Parent's Group (HSPG) wants to give a huge thank you to the parent community for their support of the Hataitai School Fair. Together we have raised just over \$20,000 for the school!

The HSPG is working with Jacinta and the Board, on a prioritised programme of upgrades for our school and this will go a long way to deliver these improvements.

We want to acknowledge the support of:

- **Our parents who joined the Fair Committee:** For giving up their time on a weekly basis to help with the planning of the fair.
- To the **Stall Coordinators** who ran each stall, without them, the fair could not have run.
- **Our Parents who contributed:** by bringing in magic jars, baked goods, made jams, supported their children in their contributions to the fair, or who came to the fair and spent money! We thank you.
- **Our School Staff:** Jacinta, Melissa and Annabel - for their support in making the fair happen, so much work goes on behind the scenes. We also need to acknowledge our teachers, who supported the students in their contributions to the fair, and the learning experience that came with that, it was amazing to see our school community come together for this fundraising event.
- **Our business community:** We have had so much support from the businesses of Hataitai and wider Wellington, with all of their donations to our auctions, raffles, sausage sizzles, tea room, and more. We have also had so many generous sponsors of the costs that we incurred in putting on this fundraiser, including many parents who would like to remain anonymous. Please take a moment to look at our Thank You Poster, and support these generous businesses where you can. We want to give a special thank you to Tommy's for their amazing sponsorship of our Games Extravaganza!

Thank you again!

FARES ARE CHANGING FOR UNDER 25s, FROM 1 MAY

Kia Ora,

The government has made the decision to withdraw the government funding for the age-based concessions that have been in place since 1 September 2023. As a result, new fares will apply from **1 May 2024**.

Subject: Fares for u25s are changing, starting 1 May 2024

Kia Ora

We would like to inform you that the government has made the decision to withdraw the government funding for the age-based concessions that have been in place since 1 September 2023. As a result, fares for children aged 5-12 and young adults under 25 years old will automatically return to the standard price fares from 1 May 2024. The current age-based concessions are funded by the government.

What's Changing for Students from 1 May?

- **Under 13 Free Pass (5-12 years)** - Free travel ends, and **50% off adult fare** applies on all Metlink services.
- **Child Fare (13-18 years or still in secondary school)** - 75% discount off adult fare ends, and **50% off adult fare** applies on all Metlink services for children aged between 13 to 16 years old (or older if still at secondary school). Children over 16 who are no longer in secondary school will **no longer qualify** for this concession and will need to buy a [Red Snapper card](#), and the full adult fare will apply unless they are eligible for another concession.
- **Te Hunga Whaikaha Total Mobility** - Free travel ends for 5–12-year-olds and 75% discount ends for 13-18 year olds (or older if still in secondary school). **50% off adult fare** now applies for these groups through the Accessible concession.

Children must tag on and off using their Te Hunga Whaikaha Total Mobility card **ONLY** to travel on the Accessible Concession. The Green Snapper Card will no longer be required for travel, removing the hassle of carrying two cards.

- To be eligible for concessions, a student must use a valid Red or Green Snapper card with the appropriate concession loaded.
- On ferry, the concessions are available on a child ticket and can be paid for with cash or EFTPOS.
- Children are still required to tag on and tag off the bus or trains using their Snapper card, to avoid being charged default fares.

**Some exclusions apply (including Metlink on demand services and Te Hunga Whaikaha Total Mobility taxis) and concession discounts are based on the full adult fare with applicable discount during off-peak hours.*

We strongly encourage all students (including Te Hunga Whaikaha Total Mobility card holders) to [top up](#) their Snapper cards to ensure they have enough credit.

For more information, visit metlink.org.nz/fares or contact us on 0800 801 700. [Top Up Your Snapper Card](#)
