Dear Jacinta Simpson, Judith Douglas, Jennifer Kim, Sean Mead and Kris Lewis

I am writing to apply for the position of a Hataitai School Ambassador. I believe I would be an exceptional Ambassador because I have the ability to speak loud and clear to anyone in a good manner. I will always treat others with respect and will be welcoming to anyone.

I am eager to apply to be a Hataitai School Ambassador. I know I have the requirements to be an Ambassador. I have great confidence when greeting anyone and I will always be ready for an unexpected speech. I am always a role model to other students at Hataitai School and will always do jobs when I am needed. I also have some skills I believe every Ambassador needs. I have the ability to teach and help others in a calm and collected way and I believe I have the correct personality for this job. I am warm hearted, open minded, spontaneous, caring, confident and flexible. I am always there for others when needed and will complete tasks to a high standard.

I believe the role of an Ambassador is very important. An Ambassador is a person who is there to help and always is willing to do a task of any sort. They are there to set the example for the school and support teachers by helping with jobs and tasks. An Ambassador is also there to care for others when upset or feeling down and will support them. I believe I tick these boxes. I have applied to be the leader Sports Team alongside Jag Willers and I also have applied to be in the Finance/Fundraiser Team and the Kapa Haka Team. I chose to apply for the position of the Sports Team leader because I have a big passion for sports and I want to share my knowledge and love of sports with others. I applied to be a part of the Finance/Fundraiser team because I want to help with many things by fundraising to supply the school. I chose the Kapa Haka Team because I believe Kapa Haka is extremely important especially in NZ. I want to share my passion about it with my peers.

I know I have shown a lot of leadership so far this year. I put my hand up to help water supervise at the school picnic and I had a job to bring sports equipment to the picnic. I have shown my initiative, creativity and collaboration skills so far in our Roxy 5 group and I can't wait for the final product. Last year the Ambassadors really inspired me, especially Nicolas Ball. He has very similar interests to me and he taught me many things throughout 2019. He was very successful last year as he was a leader of the Sports team and I am looking to follow in his footsteps. He has taught me to always push my limits but not be overconfident.

I am very grateful to have this opportunity and I am looking forward to the rest of the year.

Thank you for taking the time to read my letter and considering me.

Yours Sincerely,
Zach Timmins
