Dear Parents and Whanau

This term our PB4L Professional Development programme has continued to grow and develop. The Hataitai After School Care now incorporates the same set of values as we do here at school. This provides continuity in our expectations for the children's learning throughout the school day and beyond.

This week we finalised the behaviour flowchart which we hope to only have to use on rare occasions. 90% of our focus is always encouraging the positive expectations of Mana, Mannaki and Ako. Through the commitment and effort of all our tamariki it is very exciting to know that the second school wide treat has nearly been achieved!

Leadership

This week we welcome Michelle James to the position of Deputy Principal for Term 3 and beginning of Term 4. Our sincere thanks to Glen who so ably led in this position in Term 2. We appreciated his contribution to both staff and students, and the general direction of the teaching and learning. Glen has been very supportive to all of us during the time of transition back into school after Covid.

Eastern Zone Cross Country

Last week many of our students competed at the Eastern Zone Cross Country. Thank you for taking the time to attend this competition on the day - children appreciate receiving that support. Congratulations to the 19 place getters who will now go on to compete in the Interzones. Well done - we are very proud of you! Please see the full list of students going to the Interzones further on in this newsletter.

BOT Maori and Pasifika Consultation

Last night we held our first Board meeting for the term. We had the special privilege of inviting a group of parents who have children on the Maori and Pasifika roll. This was an excellent way of meeting each other and being able to reflect on all that we do well to ensure that our learners experience continued learning success. It also was an opportunity for the Board to be further guided and inspired by the ideas the group expressed. Michelle James is the Within School Leader who is responsible for leading cultural responsiveness at Hataitai School. Michelle works closely with other Within School Leaders from the 13 local schools in our Kahui Ako community.

Online Interim - July Learning Conferences

Our online Learning Conferences were successfully completed at the end of last week. Thank you to the many of you who sent emails of affirmation - we appreciated them very much. As explained to you before - this was a trial this year and therefore we will be sending you a quick feedback survey for you to participate in. This will be circulated mid next week. You will also be invited to make a comment about the interim written Student Record of Achievement which you received prior to the conferences. The teaching staff have completed a survey also; so once we receive your feedback we will collate the results and inform the school community.

Welcome new Students:

This week we have welcomed Elodie Hickman to Waiopahu. We hope that Elodie and her family have many happy years here at Hataitai School.

Jacinta Simpson
PRINCIPAL

Confident, independent, highly achieving students who enjoy learning.

EASTERN ZONE CROSS COUNTRY RESULTS

It was a very exciting trip to Scots College last week to have our school participate in the Eastern Zone cross country event. Our school showed a lot of heart and all of the athletes gave it their all. We have quite a few students heading onto the interzones on Tuesday the 18th of August up at Grenada North Park. Congratulations to all of the runners moving on!

Please email Rachel Peterson - rachel.peterson@hataitai.school.nz if you have any queries.

NO MORE LOST PROPERTY

At Hataitai School every term we end up with a mountain of lost property items. Even after putting them on display for our students and families we are left with often 100+ items that require washing and being donated to charity. Out of sight - out of mind seems to be the case. Many schools have experienced success in reducing lost property by no longer having a main collection point.

Please encourage your child to check the astro turf and hall as these are the two places that lost property usually accumulates.
