

# Term Three Oral Language 2018

## Steps to Success:

- Discuss the task and your topic with your family
- Research your topic and use different types of advertisements (eg. commercials, infomercials, radio, newspaper and posters) to inspire the types of language you will use.
- Remember you are trying persuade your audience to buy your product.
- Practise your presentation at least 3 times.

## Consider:

- How can you persuade your audience to buy your product? What persuasive language will you use?
- Can you make your presentation interactive?

<b>Week 5</b>	Presentation One: You will be given a product by your teacher. Your challenge is to persuade your audience to buy your product. Research and think about the language you will use to entertain and persuade your audience. Have fun!
