

HOMEWORK WEEK 1 - 3 TERM 2

Assigned date	Task	Who did I check-in with at home?	Date to be marked
<p>Week 1 Monday 29th April</p>	<p>Famous scientists Over the course of history there have been some amazing minds and bold risk-takers leading the world of science. We have created a list of just some of these people for you to explore. The catch is, yours is coming out of a hat! Everyone loves a surprise. Look into the backgrounds of these people.; Where they lived, who they were and most importantly, what they did. Have your exceptional work ready for sharing in week 2.</p> <p>We are looking for: mind maps, brainstorms and notes either in your homework book or on a DOC.</p> <p>Mathletics work. 30 – 45 mins over the week.</p>		<p>Monday Week 2, 6th May</p>
<p>Week 2 Monday 6th May</p>	<p>Keep on finding out about your scientist..... Fine tune, add detail and become an expert in the topic of your person.</p> <p><u>You</u> choose how you will share this information. Perhaps look at new ways to present such as Prezi, even the Puppet pals app.</p> <p>We are looking for: Your finished presentation shared with your teacher by Friday Week 2.</p> <p>Mathletics 30–45 mins over the week.</p>		<p>Friday, Week 2, 10th May</p>
<p>Week 3 Monday, 13th May</p>	<p>This week you will be presenting your research into famous scientists.</p> <p>Think about: <i>How are you going to introduce your topic?</i> <i>How could you present your learning?</i></p> <p>See the timetable in your home class and ensure you are ready on the correct day.</p> <p>Mathletics work. 30 – 45 mins over the week.</p>
