NZEI MEMBERS ACTION

As you would have likely heard through the media - no further action will take place due to the Primary Teachers accepting the 4th offer.

The settlement concluded a long negotiation campaign that saw the largest education strike in our country's history, teachers rejecting three previous offers, and NZEI Te Riu Roa and PPTA Te Wehengarua coming together to negotiate directly with the Ministers of Finance and Education.

Thank you for your support during this time.

SPORTS EVENTS

This week the Year 4-8 students celebrated our annual swimming sports event at the Aquatic Centre. Like all previous years we were very proud of the students, especially those who chose to compete in the races. There will now be approximately 40 students who will go on to represent our school at the Eastern Zones in Term 3.

This list is printed further on in the newsletter for you to enjoy.

Congratulations to those students and we wish them all the best. Many thanks to Kris and team for ensuring the great success of the day.

STUDENT AMBASSADORS NEWS

This week two of our 2023 Student Ambassadors Edie Johnson and Holly Connor-Kebbell share with you some of their leadership experiences over the past few weeks.

HOLLY

I'm Holly Connor-Kebbell and am a Student Ambassador for the school.

I love being an ambassador because I get to be a role model, leader for the younger students, and especially help settle in the students joining our school. Our group of Ambassadors have been split into groups of 3 to look out for different parts of the school. I have been appointed to Papatuanuku (Year 1-2) along with Chloe Langridge, and Reuben Ririnui. This means we help out the younger students with settling in, find new interesting games to play at rainy lunchtimes, or even just read or play with them for a while. On book day, I led the conga line to get the kids excited and we often just do small jobs and help more around the school. That is why I love being an Ambassador this year.

EDIE

Hi I'm Edie Johnston and I'm a Hataitai school Ambassador.

I love being an ambassador because that means I am a role model for the younger students especially in year 3 and 4 because that is the year level Mary, Alistair (fellow ambassadors) and I have been assigned to. It also allows me to take initiative and show leadership by doing jobs and showing new students around the school. I have to think of fun ways for the Year 4's to show leadership skills as next year they will join the start of their senior school years and so will be a role model as well for the younger kids. That is why I enjoy being an ambassador.

WRRPA

Yesterday I attended the WRRPA - Wellington Regional Primary Principals Meeting in Wellington. Many topics were covered and there is a great awareness and concern for schools how they are coping in this current climate. A survey from the Principals noted that almost all of us would appreciate more learning support especially during these complex times.

We also enjoyed listening to 3 guest speakers - **Erica Stanford**, National's spokesperson for Education and **Perry Rush** and Associate Professor **Mei Lei** from Auckland University and the Woolf Fisher Institute to speak of a PLD opportunity for us all.

WELCOME NEW STUDENTS TO HATAITAI SCHOOL RECENTLY

It is exciting to welcome 2 more new students to the Year 1 new entrant class this term. Welcome Tom Traynor and Jonas Vuhoy to Hataitai School. We wish these students and their whanau many wonderful learning experiences here at our school.

As always, if you know of someone who would like to enrol their child or would like to come in and see our school and meet us, please encourage them to do so.

AHI ENTERPRISE

Thank you to all the families for your amazing contribution to this event held for the first time today. Today a grand total (before costs) of \$1,477.50 was raised to support EOTC Week in Term 4.

'Ahi has been split into groups which are making different kinds of foods. Half the groups will sell on Week 7, and the other half in Week 8. Each group has roughly 6ish students and all food items will be made by them, and have organised their own stall as a group. We're doing these food stalls for a good learning opportunity for the Ahi Year 7 & 8 students, and we're also fundraising for the school. The students will be going through everything they need to sell food, including how exactly to price their items, and have gone through everything in order to be successful selling and making their food. This is a good opportunity for Ahi to learn about how managing a food stall works and everything that is involved to price, make, and sell products.'

WE NEED YOUR HELP

On numerous occasions over the last few weeks we have had dogs coming onto the premises. The outcome is that dog poo is left on the playground and turf and children have accidentally stood in it. We have also encountered some vandalism and vomit left in the playground.

We would really appreciate it if you could keep a close eye on the property if you or your children are playing here out of school hours. There are signs around the school to say **NO** dogs are allowed onto the property at all times.

Should you see any unusual behaviour and /or a dog on the property - please ring 021 790 075.

ILLEGAL PARKING OUTSIDE THE SCHOOL BOUNDARIES.

The police and parking wardens have unfortunately been issuing a number of tickets outside the school recently. This week there have been a number of police drive-bys in plain cars. Please remember to not park on the yellow lines - this is a health and safety request.

INTERIM STUDENT RECORDS OF ACHIEVEMENT AND MID YEAR LEARNING CONFERENCES

Tuesday 25 July, Wednesday 26 July, Thursday 27 July

- **Student Record of Achievement** - will be circulated Friday 30 June (last day of Term 2)
- **Mid Year Learning Conferences** - 25, 26 and 27 July 3:00pm – 7:00pm Week 2 Term 3: Your child is welcomed and encouraged to attend the conference with you.

SCHOOL NOTICES

HATAITAI SCHOOL SWIMMING SPORT

We had a fantastic day at Kilbirnie Pool on Tuesday of Week 7. The students represented our school brilliantly. Thank you to the parents in attendance who supported from the benches, and good luck to all students who will go through to the Eastern Zones event on 23rd August. A few things to note:

- These are the placements only. Competitors going to Eastern Zones are only permitted to enter 3 different events plus the relay. These arrangements will be made in due course.
- The 25m butterfly event was not run this year due to time constraints but some students have volunteered themselves to represent our school for this.

DONATED TO THE SCHOOL

Many thanks to Zandra Brickhill who kindly donated the Angklung - Indonesian Muscial Instrument - below to our school. It has been fascinating watching adults and students figuring out how to play a tune.

COLLECT YUMMY LABELS AND STICKERS

Have you heard the old adage an Apple a Day keeps the Doctor away? Well, an apple a day gets *us* new sports gear!

By collecting Yummy stickers and cut-out labels our school gets a share of the \$200,000 Yummy Fruit Company free sports gear prize pool.

What to collect

- Collect Yummy cut-out labels from 1.5kg bags of Yummy apples (each cut-out label is worth 10 stickers)
- Collect individual Yummy apple stickers.

Yummy apples are available from New World, PAK'nSAVE and participating Four Square stores.

The more you collect, the more sports gear you get.

What to do with the Yummy labels and stickers

- Get a sticker sheet from the School office or download and print one at www.yummyfruit.co.nz/schools/. Once it is full with stickers give it back to the office.
- Any cut-out labels can be delivered directly to the office.

When does it finish

All stickers/cut-outs must be with the office by **1 September 2023**.

"The Yummy stickers are an important annual supplement to our PE shed. We also gather resources specifically for some of the Junior classes.

The best thing that Yummy stickers get us is definitely tennis balls! You can never have too many." – Glen Sneddon

WELLINGTON EAST GIRLS COLLEGE – HOMESTAY HOST FAMILIES

HOMESTAY HOST FAMILIES NEEDED

Wellington East Girls' College is needing new host families for some of our international students. These students come from many different countries and stay for varying lengths of time - from one term to a full year.

Each host family is paid for the care they provide. The 2023 hosting fee is \$320 per week and \$340 per week in 2024.

In exchange for the hosting fee a family will provide:

- A warm and comfortable bedroom
- Three meals a day
- Kind and friendly family engagement

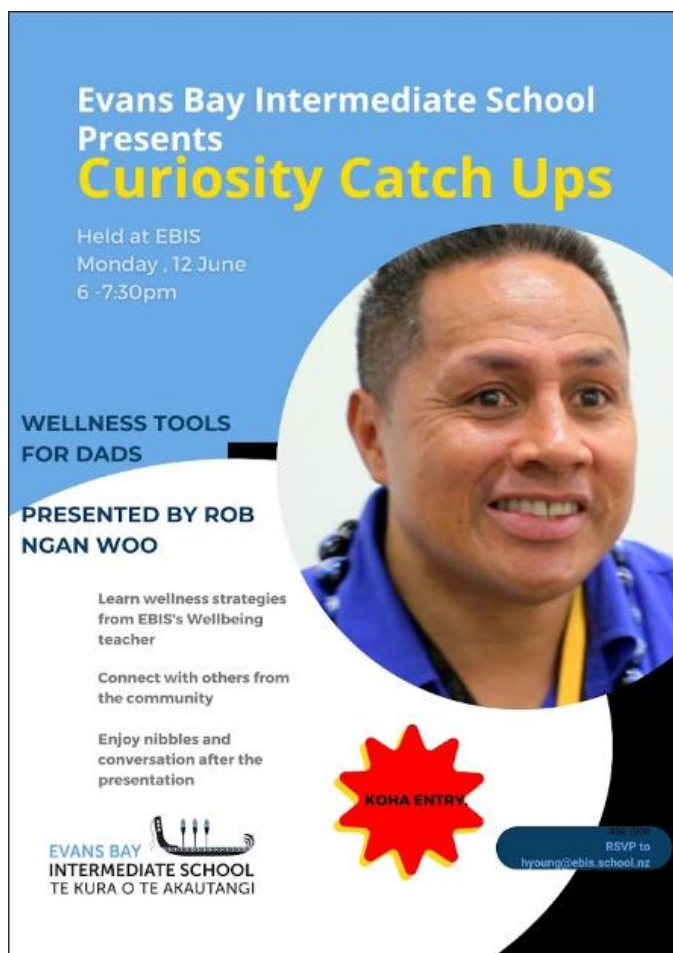

Wellington East Girls' College has ultimate responsibility for each student with a department of three staff who ensure each student is motivated and well supported at school. We provide a great level of care for each host family with information, guidance and ongoing communication.

We are very happy to provide all of the information you may need in order to make a decision about hosting a Wellington East Girls' College international student.

Please email international@wegc.school.nz - we check this email everyday.
