

HATAITAI SCHOOL

Dear Whanau

As the number of infections grows this week in Wellington we continue to practice extremely safe hygiene and ventilation practices here at school to mitigate further infections.

Good ventilation removes air from inside and replaces it with clean air from outside. We have received a Carbon Dioxide and temperature monitor toolkit from the MOE. Commencing this week, we are now monitoring the Carbon Dioxide (CO2) and temperature levels in all classroom spaces and offices of the school.

This will help us ensure that your child is in a well ventilated and warm classroom at all times and as winter approaches.

Covid-19 Red - Phase 3:

Thank you to all of those who have informed the school of their results directly to the email covid-19@hataitai.school.nz. Receiving that information in one place helps us to monitor how we are progressing and how we need to ensure hybrid learning continues for those who are isolated at home.

HATAITAI SCHOOL GUIDELINES for PARENTS

IF YOUR CHILD RECEIVES a POSITIVE RESULT

- They need to self-isolate for 10 days from the date of the positive test.
- Please contact either Jacinta – 021 790 075 and email the information on covid-19@hataitai.school.nz
- The Principal will notify the parent community that a student has returned a positive test and parents will be asked to monitor their children very carefully for developing symptoms.
- Please note: in consultation with the parents of the student who has returned the positive test - parents of that class will be notified directly.

IF A PERSON IN YOUR HOUSEHOLD RETURNS a POSITIVE RESULT

- Your child is a 'close contact'.
- They will need to isolate for 7 days at home.
- Please contact the school as you would for a normal absence.
- It would be appreciated if you also record the absence and why on the covid-19@hataitai.school.nz email.

YOUR CHILD is UNWELL and is getting a COVID TEST

- Your child remains at home until the test result comes back.
- For a positive result they need to self-isolate for 10 days from the date of the positive test AND email the information on covid-19@hataitai.school.nz.
- For a negative result your child can return to school as soon as they are feeling well.

A HOUSEHOLD MEMBER is FEELING UNWELL or is a CLOSE or CASUAL CONTACT

- Your child is able to attend school as long as they are feeling well.

STAFFING – IMPORTANT NOTICE
